## THE DESIGNERS

We are Maja Bartlett and Tess Lloyd; together we form Sydney based design duo, Polli. We met in 1999 while studying Industrial Design together at The University of Technology, Sydney. Polli was born from our strong interests in design, craft culture and fashion. Our work is strongly influenced by Japanese, Middle Eastern and Danish design. Our range of personal and home accessories include hanging mobiles, tableware, jewellery and decorations, utilising materials like acrylic, printed polypropylene and stainless steel. Because we design and make them ourselves Polli products are totally unique and 100% Australian!

## JEWELLERY

Polli jewellery are bold, simple designs which play with form, pattern and colour. The stainless steel and gold anodized ranges of earrings and pendants are etched from thin sheets to create fine patterns and details. The thin metal sheets allow the jewellery to be light to wear while still being elegant and striking.

All Polli earrings and pendants use sterling silver or gold-filled findings to ensure they are comfortable for your ears and are nickel free.

Polli brooches and cufflinks are made from thick sheets of aluminium. The detailed pattern is etched just below the surface, creating fine detail in the contrast of finish. All designs are available in silver, gold, black, chocolate and Polli red finish.

POLLI HOME

# CARD

LOVE DOVE

CALDRW

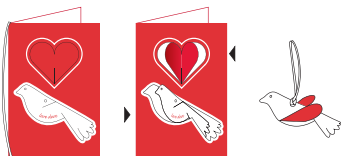

Card A6

Dove 100 x 60mm

LOVE DOVE is a greeting card which transforms into a hanging decoration.

The red heart and white dove from the front of the card pop out and lock together forming the body and the wings of this 3D dove.

Card is blank inside, perfect for Christmas, Valentines Day or just sending a little love.

COASTER LEAF RED  
COALLE-01  
92x92mm

COASTER LEAF JADE  
COALLE-30  
92x92mm

These products are designed to protect your table. The top surface is aluminum and etched with a detailed leaf pattern. This surface is heat resistant and easy to wipe clean. The bottom surface is a thick woollen felt which absorbs any heat, protecting your table.

# JEWELLERY STAND

GUM TREE  
STACSN  
295x425x100mm

The Polli Gum Tree can be used as a decoration, screen or a jewellery stand. It is laser cut from frosted opal acrylic with a clear acrylic base. The jewellery can be hung from the small leaf cut outs and branches of the trees. The intricate design includes many native Australian animals which live amongst the gum trees.

The product can flat pack for shipping and storage.

# MOBILES

The Polli mobile range includes Stainless Steel Scales and the Polypropylene Scales, Hives and Jack (see right).

SS SCALES is made from ultra thin stainless steel with fine cut outs which play with light to create captivating shadows and patterns. PP HIVES and PP SCALES are made from printed polypropylene. They are available in neutral and warm colour combinations.

These mobiles are assembled by hand using jeweller's findings and techniques. The top rod is home to small birds who watch from above.

# JACK

## NEW

JACK SPRING  
MOPPJA-72  
Approx 1m long

JACK SUMMER  
MOPPJA-73  
Approx 1m long

JACK AUTUMN  
MOPPJA-74  
Approx 1m long

JACK WINTER  
MOPPJA-71  
Approx 1m long

The Jack mobile is strung vertically and reminiscent of a vine or bean stalk. The large leaves are die cut from multi coloured polypropylene sheets and printed with a clear varnish leaf pattern. Each leaf features two curved cuts which allows it to hold a photo, card or post card.

The Jack mobile is available in 4 colour ways; Autumn (red, magenta, orange), Winter (charcoal, white and red), Spring (grape, magenta and white) and Summer (green and white).

Sold in a white box 220x160x20mm

# STAINLESS STEEL DECORATIONS

## NEW

ANGEL  
DESSAN  
35x55x35mm

OLIVE BRANCH  
DESSOB  
80x60mm

STAR  
DESSST  
65x65x40mm

LOVE DOVE  
DESSL  
40x65x35mm

The stainless steel decorations are etched from thin sheets of stainless steel, their surfaces etched with fine patterns and cutouts. They are packaged flat so they can be included in a greeting card and easily posted. Once opened the decoration is bent into shape to form a 3D decoration which hangs from fine silver thread.

# ACRYLIC DECORATIONS

150x220mm

TREE SNOW  
DEACTR-60  
150x220mm

CHRISSY DECOS are classic round shapes with simple graphic cutout motifs. Laser cut from translucent red or frosted white acrylic they are packaged as a set of three. Each pack includes hearts, stars and the Polli birds design.

CHRISSY TREES (view the next page) are lasercut from translucent red or frosted white acrylic. They are sold individually, designed to be flat packed for ease of storage and transportation. These trees feature the Polli birds as a cut out motif.

Polli aims to be a carbon neutral company who is socially responsible. Our philosophy includes re-using production off cuts, donating useful parts to local schools for art projects and offsetting all travel to cancel omissions.

We have a collection policy on reusable Polli packaging by encouraging our customers to retain our packaging and contact us so we can arrange for its return and reuse.

We'd like to thank the following talented people for their help in getting this catalogue together:

Aimee Jones, Stylist

Geoff Sumner, Photography

Phil Rose, Modeling (CAD)

Sue Murray, Editing
